Hello Robert,
Can you please send the Phase I again? I have tried numerous ways of opening and saving the document, however I get an error that it is a corrupt file and unrepairable.

Thank you for your assistance.

Hi Barbara, per your request here are the Phase I, Phase II, and follow-up soil vapor investigation, along with the supporting documentation (and cover letter) for the NAR request. Please let me know if you need anything else. Thanks, Rob

Hi Robert, We are presently reviewing the reports. One things is requested.... Please submit each report (Vapor Inv, Phase I, Phase II, separate requests, etc.) separately so that we can incorporate into our database. The one large file with all reports will not load correctly.

Thank you for your help.

Hi Barbara,

Yes we are requesting a No Action Required letter. See attached for reference. To my knowledge the fee has been paid by our client.

Please prioritize this if possible – based on prior correspondence with the DNR we were hoping for a response last month.

Let me know if you have any other questions.

Thanks, Rob

Rob,

Washburn County is Barb Herbst's jurisdiction so she is the project manager for this one. Her contact info is Barbara.herbst@wisconsin.gov or (715) 492-1891. She will guide you through the details of DNR project administration.

Take care.

Hi John,

See below. Do you think we'll get reviewed on Nov 4 or should I plan for Nov 18? Also, can you still be involved with this project or do you need to hand off the keys to Barbara Herbst?

Hope all is well. Thanks again for your guidance.

Best, Rob
